The man who complains first,
loudest and longest of the dry
weather is the first man to set
up a howl when it begins to
rain.

PLENTY OF PEAS

Peas have sold at a price
ranging from ninety cents to a
dollar and ten cents a bushel for
months. Everybody had peas
to sell. Quite a number of farm-
ers fed peas to their stock. Be-
cause of the bumper crop last
year we fear that a much small-
er acreage is being seeded to peas
this year, while just the oppo-
site should have been true. Be-
cause peas are cheap is another
big reason why every available
acre should be planted or sowed
in peas. Then every acre of
corn should have peas either in
rows or broadcast.

Two extra large crops seldom
come in succession, and the
farmer who grows peas this year
may expect more than ninety
cents a bushel for them.

BLACKBERRY PIE

Editor Ashcraft's annual ar-
ticle on the more or less famous
blackberry pie is shorter this
time than usual, but it shows his
fondness for the stuff all right.
It was published in the last issue
of the Monroe Enquirer, of
which he is editor. Here it is:
If we had to give in the black-
berry crop for taxes and that
same crop was listed at even

would "bust" the taxpayers.
The blackberry crop is worth
seven million dollars. The man
who along about this time of
year puts his feet under a table
on which there is fresh black-
berry pie and cold sweet milk
has about all that is coming to
him in the way of good eats.
Blackberry pie time. Glory be.

MR. SELLERS NOT IN THE RACE

The last issue of the Chester-
field Advertiser carried the fol-
lowing paragraph:

"Mr. Samuel J. Sellers is not
in the race for Congress. We
are authorized by Mr. Sellers
himself to make this statement.
He also says that he has never
authorized anyone to say that he
was in the race, that he has had
no intention to oppose Mr. Stev-
enson."

There must be a mistake about
the last clause of this statement.
Several weeks ago we noticed
the statement in the Cheraw
Chronicle that Mr. Sellers was
considering the matter of enter-
ing the race for congress. Be-
fore taking the liberty to make
this statement to the public we
telephoned Mr. Sellers in regard
to the matter. Mr. Sellers said
he had not fully made up his
mind at that time, but that we
were at liberty to say what the
Chronicle had said. This we
did, though not in exactly the
same words. A few days later
we saw Mr. Sellers on the streets
of Pageland and asked him
again. His reply was about the
same as before. He stated that
he was then out "feeling the
pulse" of the people and it was
quite probable that he would run.
So far as we know no one has
said positively that he was "in
the race," but we can hardly see
how the statement, "that he has
had no intention to oppose Mr.
Stevenson," and the facts as
stated above are to be brought
into harmony.

Clean Up and Paint Up

WING into line
take a tip from old Mother
Nature. Maybe your house would look
better for a coat of paint; or possibly
the fence, outbuildings or screens seem a little
dingy in the bright sunshine. How about
your floors? Are they showing heel-marks?
And has some of the furniture been scratched up?
Painting, or varnishing, will not only beautify,
it will make the wood last so much longer
that it's actually cheaper to paint than not.
Paint fills the cracks and holes where germs lurk,
makes for sanitation.
